Grosvenor office
70 Grosvenor Street London
W1K 3JP

Light refreshments will be provided

GROSVENOR

Following the introduction of Grosvenor's 20 year vision for Mayfair and Belgravia last year, we would be delighted if you could join us for an update and discussion of our evolving plans for Mayfair.

We hope you will be able to pop into our offices on the morning or evening of the 21 November to review and discuss our recent and planned activity in Mayfair.

The information will be displayed on presentation boards and the team will be available to talk you through them, so please join us when most convenient for you during the session times.

We would like to hear from all parts of Mayfair's communities so please encourage colleagues and friends within Mayfair to attend.

Please reply to Mayfair Director at Mayfair.Director@Grosvenor.com to confirm your attendance at one of the two sessions listed.

I do hope you can join us.

Kind regards,

Keith Bailey

**Mayfair Director
Grosvenor Britain & Ireland**
